### **3 Way Split**

3 Way Split is one of Sydney's most versatile wedding/corporate/party cover bands. They play all the songs that you know and love and are available as either a Solo, Duo or Trio, or even as a 4, 5 or 6 Piece Band if required. This versatility ensures that you can book the perfect line-up to suit both your requirement and budget. This band really has it all covered to ensure that your function or party will definitely be one to remember.

With over 1,500 shows under their belts, 3 Way Split know how to make every event that they play at a complete success. This is the case with every booking from a small private party to a large corporate function where every detail matters.

3 Way Split have a huge repertoire featuring over 300 songs. This includes old favourites, classic and current rock, and new hits as heard on the radio today. This creates the perfect mix for your guests, whether you're holding a formal dinner or a raging party.

The same line up has been together since the start so their song list is endless and their performance is musically flawless. Unique dance medleys also guarantee to keep the dance floor pumping while state of the art production combined with a great lighting show create a brilliant atmosphere in any room.

With the front man Chris Stretton being far from shy, his charismatic and fun approach is what makes 3 Way Split really shine above the rest.
