Adrian Perry - DJ Pezza

After spending so many late nights on the clubbing scene, as a teenager from the age of 18 years, its no wonder Adrian Perry, AKA DJ Pezza, decided to combine his love of music and partying together - and get paid for it!

Starting his career as a DJ, back in 2000, he worked the Mobile circuit, learning the craft, doing birthdays, weddings, ect, wherever he could work, to share his passion and love for the industry.

After 2 years of learning, it was time to advance his career. In 2002 he joined Absolute Infinity and made the giant leap from the mobile circuit to bars and nightclubs!

DJ Pezza's style is mainly party and commercial tunes; think, 70's disco, 80's retro, and 90's classics, with some Top 40 thrown in, but certainly diverse enough to play what is requested on any given night, by the client.

Due to his high work ethic, experience, and party nature, he has held some long residencies and played in too many bars and nightclubs to list here.

During the last 13 years, DJ Pezza has supported some of the biggest names in the industry, including G-Wizard and J-Smoove!

In 2006, on a holiday in Bali, DJ Pezza was invited to work at Paddys nightclub and bar - The number one nightspot in Bali for the many tourists that frequent the area!

It was a fabulous 7 night stint, playing to a packed house each night!

DJ Pezza has enjoyed many years in the industry and has performed at countless functions and events. He has an extremely strong work ethic and prides himself on being both punctual and well organised. Adrian always pays attention to the details, but still has an element of flexibility at each gig.

DJ Pezza is reliable and well presented, and as he's also married, He is well aware of how important a wedding reception is to both the Bride and Groom. He bridges the gap between experience and maturity with a fun, approachable and highly charismatic personality and also has a strong sense of humor and a very quick wit. These traits combined with his clear and strong microphone technique make him the perfect choice for any occasion. DJ Pezza is one of the elite team of Absolute Infinity Wedding DJ's to make that special day perfect.
