Chris Totonjian aka Basssick

Chris Totonjian aka DJ Basssick spent his teenage years in a Jazz band playing saxophone. This nurtured his musical understanding, experience and skills.

By the age of 17, Dubstep resonated deep within him and he was infected with the bass. He started to DJ and then recklessly spread the beats amongst countless house parties and events.

Since then he has learnt to tame his passion it and unleash it whenever necessary. The bass in him is always evolving and rising to challenges. Chris can play across an extremely wide range of genres, and has also added turntablism to include a visual spectacle in his sets.

He has the sickness everyone craves, he is Basssick!
