Daniel Cervantes aka DJ Romo

After spending years and years going through his Dad's classic records, it was pretty clear that Daniel Cervantes aka DJ Romo had a passion for music running through his veins. Listening to everything from ABBA, The Rolling Stones, Bee Gees and The Beatles, to Led Zeppelin, The Clash and more, gave him a lot of knowledge to absorb from a very young age. Growing up overseas also gave him the opportunity to listen to very different beats, and to understand the different ways that people behave and party at nightclubs and functions. This in turn gave Daniel the flexibility, knowledge and experience to be able to adapt to different situations.

After spending 5 years mixing at friend's parties, it was time to take things seriously. Daniel had the opportunity to learn from some of Sydney's best DJ's including Neil Ismail and DJ Oli from The Chinese Laundry and Home. This is where everything started to get a bit more professional!

Since those early days, DJ Romo has continued to learn and practice at home, and at every Venue, Wedding, Pub or Nightclub that he gets to play in. His gig list is impressive and includes venues like Scruffy Murphy's, The Burdekin, The Steyne Hotel and Shark Bar, plus a large number of Private Parties, Corporate Events and Weddings. Music is a major passion in his life, along with tennis, and this is reflected with his unbridled enthusiasm every time he is behind the decks. Flexibility, professionalism, adaptability and passion are key factors for every performance.

DJ Romo hopes to see you at your next gig and says, "Let's party together!"
